[LSU Health Digital Scholar](#)

is an institutional repository and is a service of the LSU Health Science Center Libraries. Research and scholarly output included here has been selected and deposited by the Libraries, as well as individual university departments and centers on campus. It includes citations to papers, editorials, letters to the editor, meeting abstracts, books, and book chapters authored by at least one member of the LSUHSC-New Orleans faculty.

Information in [LSU Health Digital Scholar](#) is retrieved from several sources, including PubMed, ISI Web of Knowledge, SCOPUS, CINAHL, PsycINFO and contributions directly from faculty members. Access to this resource is available to the public. To add your faculty publications, or for questions about this repository, contact our Librarians at reference@lsuhsc.edu.
